## About Me

Hi, I'm Satyam Paswan, a passionate designer specializing in graphic design, video editing, and UI/UX design. I have hands-on experience with a wide range of design tools, enabling me to create visually appealing graphics, dynamic videos, and intuitive digital experiences. I love turning ideas into engaging visuals and seamless interfaces that leave a lasting impact. With a focus on creativity and functionality, I strive to deliver high-quality designs that communicate effectively and elevate every project I work on.

## Skills
